

humble beginnings in the U.S. Government started as an intern for the late Senator Cochran, my predecessor.

Following that, Jimmy's career turned to the Pentagon, where he supported the Air Force in its day-to-day operations. His outstanding service there earned him the Secretary of the Air Force Technical and Analytical Support Top Performer Award.

After 2 years at the Pentagon, Jimmy decided to focus his service closer to home, accepting an opportunity to serve as military legislative assistant in the office of Congressman Gregg Harper of Mississippi.

Jimmy's service in the House of Representatives led him to the U.S. Senate, where he became the military legislative assistant for my office, where he excelled and eventually earned the additional title and responsibilities of deputy legislative director.

Jimmy's contributions throughout his tenure in public service have been truly invaluable to the legislative and administrative functions of my office, and his insightful input will be missed.

I, along with the rest of my office, have benefited from Jimmy's knowledge, experience, and leadership.

Anyone who has had the opportunity to meet and visit with Jimmy would agree he is a hard-working, courteous, and intelligent young man.

Jimmy's strong sense of responsibility, good judgment, and a pleasant demeanor set him apart as a leader in our office and proved time and time again to be an asset for the people of Mississippi.

In fact, Jimmy has always put Mississippi first. No matter the situation or how high the stakes, the needs of the State came first. While many have been caught up in the demands of Washington, DC, politics, Jimmy's focus has always remained hundreds of miles south of the beltway. Mississippians knew if they had a problem, Jimmy Stringer would help them find a solution.

Mississippi and our Nation have been well-served by the diligence, dedication, and commitment to excellence Jimmy Stringer provided on a daily basis. He has put forth his best efforts to reflect credit on our military, the House of Representatives, my State, and the U.S. Senate.

I will miss Jimmy's astute counsel. He has my appreciation and gratitude for the notable job he has done throughout his time here in Washington, especially within my office.

I wish Jimmy, his wonderful wife Frances, and beautiful daughter Price God's continued blessings and all the best in their future endeavors.

RECOGNIZING SCHUMACHER ELEVATOR COMPANY

• Ms. ERNST. Mr. President, as ranking member of the Senate Committee

on Small Business and Entrepreneurship, each week I recognize an outstanding Iowa small business that exemplifies the American entrepreneurial spirit. This week, it is my privilege to recognize Schumacher Elevator Company of Denver, IA, as the Senate Small Business of the Week.

The company was founded by William and Bertha Schumacher in 1936 under the name Wm. Schumacher & Sons. That same year, William built the Schumacher Machine Shop in Denver, IA. With his son Elmer, they designed, built, and installed a custom lift for feed bags for a chicken hatchery in Waverly, IA. In the beginning of the company's history, they sold and manufactured many different types of elevators including lifting platforms, dumbwaiters, and freight elevators. In 1966, Elmer's son Marvin "Marv" joined the company as president and began to include passenger elevators in their line of products. A fourth generation of Schumacher, Jeff, joined the company in 1993 as the CFO and vice president of sales and administration. Jeff now serves as the CEO, and his parents Marv and Helen serve as the president and vice president of administration, respectively. Today, the company has enjoyed immense success and currently employs over 250 highly trained individuals throughout the Midwest and strives to be a premier independent elevator company in the United States.

Schumacher Elevator Company currently manufactures and sells hydraulic, traction, personal, and manlift elevators while also providing installation, maintenance, and testing services. They also make custom elevators for customers, and they have the expertise to install elevators for new construction projects, modernize old elevator systems, repair broken elevators, and do preventative maintenance. In addition to quality, Schumacher Elevator Company is fast. The team can create an elevator from raw materials to a finished product just in 1 week.

Schumacher Elevator Company is a staple of the Denver community. They offer two scholarships for students at the Denver High School: One is for a student that goes into the healthcare industry, and the other is for a student that goes into a technology field of study. In addition to this, the Marvin and Helen Schumacher Family Fund engages in philanthropic efforts throughout Iowa. The company encourages their employees to give back to the community, as well. Last December, a group of employees made a generous donation to the Northeast Iowa Food Bank that provided 4,000 meals to Iowans in need.

Schumacher Elevator Company's commitment to being trailblazers in the elevator industry is clear. In 87 years, the Schumacher family has been able to provide the highest quality elevators to satisfied clients globally. I want to congratulate the entire team at Schumacher Elevator Company and commend them for their dedication to

excellence in their work both locally in Iowa and around the world. I look forward to seeing their continued growth and success in Iowa.●
